

I Can't Draw...Until I Practice! Compact Car

Read, like a book, from left to right. Look for the simplest shapes and start there. One at a time, add shapes and lines until the picture is complete. Practice! Practice! Practice! I looked at actual objects and photos to figure out how to draw these images. Step by step lessons build confidence, but drawing from life, that's the best. Mistakes are our friends. Enjoy making "mistakes", goofy drawings you might not like; it is how we learn.
