

Close and wipe
my top,
when you
are done.
I'll be ready
to use,
when you're
ready
for fun.

And please,
please, please
don't stick a
thing inside
my top.
It will be the
end of me.
I will really
be a flop.
With a broken
top,
I can't stop
the flow.
Dribbling
"ain't"
no good
for glue,
so in
the trash
I'll go.

When you leave
me open wide,
in my top, glue
dries inside.
"Oh no!",
I whine
and pout,
because my
glue just won't
come out.
