Oh, woe is me. Yo! Can’t you see.
I’m hungry for paper, paper trash of every kind.
I want paper. Give me paper. Paper trash is
on my mind.

Cardboard is paper.
I’m not made of sand.
I’m paper. So recycle me.
Come on and lend a hand.

Little paper like me?
Yes! Recycle. Save a tree.

Hello! My name is regular trash.
Please, put no paper in me.
Food, plastic, metal & cloth are okay.
So please, please, keep me paper free.
