Oh, woe is me. Yo! Can't you see. I'm hungry for paper, paper trash of every kind. I want paper. Give me paper. Paper trash is on my mind.

Cardboard is paper. I'm not made of sand. I'm paper. So recycle me. Come on and lend a hand.

Little paper like me? Yes! Recycle. Save a tree.

Hello! My name is regular trash. Please, put no paper in me. Food, plastic, metal & cloth are okay. So please, please, keep me paper free.
